grace davie is one of the best analysts of religion in contemporary sociology this book caps a distinguished record of studies of religion first of britain then of europe then globally this is a magisterial work which should be read by anyone interested in the place of religion in the modern world peter l berger boston university this book offers both an expert survey of contemporary sociology of religion and the personal reflections of one of the leading scholars in the field grace davie is a good model for students and their teachers she is clear engaging and fair minded but unafraid to express a point of view david voas university of manchester grace davie has written a book about what is currently happening in the sociology of religion which is clear accessible devoid of jargon and authoritative though addressed to the educated reader it also provides an ideal text for students if you want expert guidance about what is going on in the sociology of religion and to have useful indications about what is going on in religion on the global scene this book does the job extremely well theology why is religion still important can we be fully modern and fully religious the sociology of religion

works at two levels first it sets out the agenda covering the key questions in the sociology of religion today at the same time it interrogates this agenda asking if the sociology of religion as we currently know it is fit for purpose if not what is to be done this book describes the origins of the sociology of religion demystifies secularization as a process and a theory relates religion to modern social theory unpacks the meaning of religion in relation to modernity and globalization grasps the methodological challenges in the field provides a comparative perspective for religions in the west introduces questions of minorities and margins sets out a critical agenda for debate and research in a single volume grace davie captures the nature and forms of modern religion the current debates in the field and the prospects for future development

a new edition of a successful book from one of the biggest names in the field of the sociology of religion the first edition is widely adopted and cited throughout the world and readers will be keen to see this revised and updated version

the sociological enterprise general comments sociology s practioners specific criticisms working papers and empirical studies

the exploration of the social conditions that facilitate or retard the search for scientific knowledge has been the major theme of robert k merton s work for forty years this collection of papers is a fascinating overview of this sustained inquiry there are very few other books in sociology with such meticulous scholarship or so elegant a style this collection of papers is and is likely to remain for a long time one of the most important books in sociology joseph ben david new york times book review the novelty of the approach the erudition and elegance and the unusual breadth of vision make this volume one of the most important contributions to sociology in general and to the sociology of science in particular merton s sociology of science is a magisterial summary of the field yehuda elkana american journal of sociology merton s work provides a rich feast for any scientist concerned for a genuine understanding of his own professional self and merton s industry integrity and humility are permanent witnesses to that ethos which he has done so much to define and support j r ravetz american scientist the essays not only exhibit a diverse and penetrating analysis and a deal of historical and contemporary examples with concrete numerical data but also make genuinely good reading because of the wit the liveliness and the rich learning with which merton writes philip morrison scientific american merton s impact on sociology as a whole has been large and his impact on the sociology of science has been so momentous that the title of the book is apt because merton s writings represent modern sociology of science more than any other single writer richard mcclintock contemporary sociology

how do sociologists explain the role and function of social work in society how has sociological knowledge been used adapted and misused by social workers originally published in 1991 the sociology of social work includes chapters on sociological theory and social work child protection community care probation interviews family therapy residential care race and knowledge and power

with original contributions from leading experts in the field this cutting edge research handbook combines

theoretical advancement with the newest empirical research to explore the sociology of organizations while including the traditional study of formal corporate business organizations the handbook also explores more transitory informal grassroots organizations such as ngos and artist communities

this reader brings together recent writing on health illness and health care in contemporary society it emphasizes the empirical nature of medical sociology and its relationship with the development of sociological theory

seminar paper from the year 2021 in the subject sociology war and peace military grade 1 0 helmut schmidt university university of the federal armed forces hamburg course wissenschaftstheorie und methodologie sociological perspectives on education language english abstract this thesis and the question how the reality in germany is related to military education within society will be answered in this term paper with the background of the consequences of the second world war on the view of an army of the german population and the bad acceptance of the bundeswehr in the society the view of a military education is a different one compared to the u s for example unlike in the u s where military education is partially integrated into the school system in germany military education is only provided by the military itself or in small private settings the aim of this term paper is to find out what is the meaning of military education in german society in functionalist perspective education must teach people self discipline education is essential if society is to remain orderly these pedagogical findings of Èmile durkheim studies haven t lost their relevance in our present time when it comes to the question of the meaning and importance of education in our society these aspects self discipline and order are especially determine in the principles that represent soldiers in the military this connection should give rise to drawing parallels between military education in a functionalist perspective and the understanding and implementation of it in german society from the functionalist perspective of durkheim the aim of education in a society is to produce ideal adults in order that to ensure the overriding goal specifically the functioning and survival of society can the values and virtues that can be imparted by a military education and that constitute and should be represented by a german soldier lead the way to the aim of an ideal adult described by durkheim

never before has there been so extensive a collection of what has been thought said and written about the sociology of the military this accessible handbook is the first of its kind to delve into the sociological approach to the study of the military this book is compiled of documents coming from various researchers at universities around the world as well as military officers devoted to the sector of study covered in this volume is a historical excursus of studies prior to contemporary research interpretive models and theoretical approaches developed specifically for this topic civic military relations including issues surrounding democratic control of the armed forces military culture professional training conditions and problems of minorities in the armed forces an examination of the structural change within the military over the years including new duties and functions following the cold war this book is ideal for scholars of the subject as well as those coming to the sociology of the military for the first time

printbegrænsninger der kan printes 10 sider ad gangen og max 40 sider pr session

the provision of many amusing examples from corsaro s own research experience with children make his book a thoroughly enjoyable read as well as a valuable critical sociological analysis of childhood sociology the sociology of childhood is the second edition of a text that has been universally acclaimed as the best book on the subject available today it is the only text that thoroughly covers children and childhood from a sociological perspective the second edition retains the same quality coverage of social theories of childhood the consideration of children and childhood in historical and cultural perspective children s peer cultures from preschool through preadolescence and the social problems of children the book has been updated to include new research information and discussions on the latest social indicators regarding children in the united states and around the world key features new chapter on up to date methods of research for studying children new chapters on theory cultural change and children s peer cultures new section on children s rights including a description and discussion of the united nations convention on the rights of the child updated chapter on the future of childhood addresses current policy debates and changing demographics related to children in today s societies contains many examples of children s actual play and behavior provides photographs and charts that capture the complexity and diversity of children s lives the sociology of childhood is highly recommended for use as the core text in courses on the sociology of children and childhood as well as for parents teachers and other adults interested in the social lives and development of children it can also be used in early education child development and child psychology courses and as a supplemental text in the area of family studies william a corsaro is the robert h shaffer class of 1967 endowed professor of sociology at indiana university bloomington where he teaches courses on the sociology of childhood childhood in contemporary society and ethnographic research methods corsaro is the author of friendship and peer culture in the early years 1985 and we re friends right inside kids culture 2003 he was a fulbright senior research fellow in bologna italy in 1983 84 and a fulbright senior specialist fellow in trondheim norway in 2003 his research has been featured on npr the bbc in london and in the new yorker

this book introduces the sociology of philosophy as a research field asking what can be gained by looking at the discipline of philosophy from a sociological perspective and how to go about doing it as presented through three case studies of 20th century swedish and scandinavian philosophy after a general introduction to the topic including its brief history and central concepts the case studies tackle questions such as how the crucial distinction between analytical and continental philosophy came to be established in sweden how the norwegian philosopher arne naess worked out in his early philosophy an approach to dealing with the cultural trauma of the second world war and the nazi occupation and how professional philosophical careers were built in postwar sweden the authors then take a forward look suggesting where the field might go from here and what its future key areas might be this volume will appeal to scholars and students in sociology philosophy intellectual history and scandinavian studies

this concise text covers both classical and contemporary social thought it traces the major schools of thought

over the past 150 years as they appear and reappear in different chapters and looks at important new voices in social theory the treatment of individual theories and theorists is balanced with the development of key themes and ideas about social life

a classical sociologist can be defined as someone whose works occupied a central position among the sociological ideas and notions of an era following this criterion michaela pfadenhauer demonstrates the relevance of peter l berger s work to the sociology of knowledge pfadenhauer shows that berger is not only a sociologist of religion but one whose works are characterized by a sociology of knowledge perspective berger stands out among his fellow social scientists both quantitatively and qualitatively he has written numerous books which have been translated into many languages and a multitude of essays in scholarly journals and popular magazines for decades he has played a role in shaping both public debate and social scientific discourse in america and far beyond as a sociologist of knowledge berger has played three roles he has been a theoretician of modern life an analyst of modern religiosity and an empiricist of global economic culture in all areas the focus on processes rather than status quo is characteristic of berger s thinking this book provides an in depth view on the critical thinking of one of the most important sociologists that present times has to offer it includes four written essays by berger

this major new contribution to the study of consumption examines how dominant groups express and display their sense of superiority through material and aesthetic attributes demonstrating that differences from one society to another and across historical periods challenge current understandings of elite distinction

classic and contemporary readings in economic sociology including several original contributions from leading scholars providing students with a broad understanding of the dimensions of economic life
