killer in the shadows is the story of a young man wrongly accused of murder it is a travesty of justice when an innocent man is sent to prison he had to endure the horrors of life on death row while the real killer got away with murder it all started the summer of 1984 in miami dade county in a business district off 68th street in west hialeah the sound of gunfire disrupted the stillness of the night when it was over one man laid dead another one critically injured and the third one was arrested and charged with the crimes it was the prelude of the ordeal to come for the accused young man a web of lies jealousy hate and revenge was weaved around him with the purpose of incriminate him and separate him from the woman he loved he was tried convicted and sentenced to die in florida s electric chair on the testimony of an unscrupulous eyewitness who was lying with the complicity of the prosecutor for personal gains the other two witnesses to the crime couldn t testify on his behalf the young man sat on death row many years hoping and praying that the truth would prevail and he d be exonerated throughout those desperate times plagued by a horrendous nightmare living waiting to die he was sustained by the love of his family and friends they stood by him unconditionally believing in his innocence among them the wife of the murdered man and a whistling ghost who gave him hope in his worse moments of hopelessness but most of all by the three courageous men who never gave up on him his lawyer who kept halting the state from executing him the detective who kept looking for the killer in the shadows and the priest who kept praying for a miracle six year later the young man became despondent every appeal was denied the evidence that surfaced turned out to be a dead end and the only witness left was about to die under those

circumstances he decided to end it all there was nothing more they could do for him he was ready to face his fate he was doing it for his family and friends he wanted to set them free from their suffering once he was gone they could go on with their lives and he would only be a sad memory a date was set for his execution in the midst of all this a woman from his past came into the picture she teamed up with the priest and his wife and together they were going to right the wrongs people do faith courage and perseverance set the stage for a confrontation that had started three decades ago in another country that event tore two families apart and changed their lives drastically now it was time for the final struggle the war between the forces of good and evil the outcome would determine if the young man lived or died and it would reveal the truth behind a great deceit
